NIPT Specimen Num	PSOFNIPTSPEC	Prenatal Screening Follow-up	NIPT Specimen Num		
NIPT Success Flag	PSOFNIPTSF	Prenatal Screening Follow-up	Indicates if NIPT was successful		
No Fixed Address	ADDRNFX	Patient Profile	<p>Checking the No Fixed Address box still requires completion of City, Postal Code and Province. Enter the postal code and city for the hospital where the admission occurred and select Ontario. No fixed address should be used in the following examples:</p> <ul style="list-style-type: none"> •Women who are homeless •Women who are incarcerated •Children who are apprehended by Child and Family Services 		
No follow up diagnostic testing initiated	NDERF02324	Newborn Screening Follow-up	Indicates that no diagnostic testing was initiated in follow up to a infant / child's referral to a Regional Treatment Centre from Newborn Screening Ontario	After clinical evaluation by specialist physician completed, diagnostic testing deemed unnecessary	
				Parents declined – previous child had a positive screen and normal diagnostic testing	

Data Element Name	BORN ID	Encounter Name	Data Element Definition	Pick List Value	Pick List Definition
				Parents declined – current child had a negative screen in addition to a positive screen	
				Parents refused	
				Other	
No follow up diagnostic testing initiated Other	NDERF02324OTHER	Newborn Screening Follow-up	An indication that the reason that no follow up diagnostic testing was initiated is not captured by the values presented in the pick list		
No. of days of gonadotropins	ART0250	CARTR+	Number of days of stimulation from 1st day of FSH to trigger day or day of cancellation.		
Non- invasive ventilation days	N0046-1	NICU/SCN	The total number of days neonate received Non Invasive Ventilation, i.e.,, NCPAP, SiPAP		
Normal fertilization (2PN)	ART0570	CARTR+	Number of zygotes with normal fertilization, i.e. 2PN		
NSO Accession Number	NBS0033	Newborn Screening	Unique NSO identifier assigned at the time of NSO Accessioning.		
NSO Accession Number	NBS0033	Newborn Screening Follow-up	Unique NSO identifier assigned at the time of NSO Accessioning.		
NSO Analyte / Ratio	NBS0002	Newborn Screening	NSO Analytes and Ratios. These are things that are measured in the dried blood spot, and will have values (numerical or text) and result codes associated with them.		
NSO Analyte / Ratio concentration value	D0119	Newborn Screening	Concentration value of each measurement of an analyte or ratio. Almost all of these are all numerical - i.e. the concentration of the particular analyte in the dried blood spot. Exceptions: Hemoglobin: the result is a pattern enumerator which is a string field corresponding to an HPLC pattern . Cystic Fibrosis (CFTR mutation analysis): the result is numerical corresponding to the number of mutations found		
NSO Analyte / Ratio normal range	D0121	Newborn Screening	Normal range of the analyte or ratio in the dried blood sample.		
NSO Analyte / Ratio Result code	NBS117	Newborn Screening	These result codes only exist for Amino Acids and Acylcarnitines assay (AAAC) analytes. Result code in the following possible formats - Analytes and Ratios: XXX-I-Norm, XXX-I-Elev, XXX-I-Decr, etc... (note: C5OH is an analyte, C5OH(D) is a disorder)		
NSO Analyte / Ratio rounded concentration value	D0120	Newborn Screening	Concentration value rounded to number of decimal points specified or text describing HGB pattern Exceptions		

Data Element Name	BORN ID	Encounter Name	Data Element Definition	Pick List Value	Pick List Definition
			Hemoglobin: the results is an HPLC pattern which is a text field Cystic Fibrosis: the results are string fields with mutation abbreviations corresponding to the Mutation column in the CFTR assay in SG Result Viewer		
NSO Analyte / Ratio unit of measure	D0065	Newborn Screening	The unit of measurement for each analyte(for example umol/L)		
NSO Contact City	NSOCNTCITY	Newborn Screening	The city where the health care provider / submitting facility involved in the care of the child is located		
NSO Contact Name	NSOCNTNAME	Newborn Screening	The name of the health care provider / submitting facility involved in the care of the child		
NSO Contact Postal Code	NSOCNTPC	Newborn Screening	The postal code of the health care provider / submitting facility involved in the care of the child
